Guide for Delta Media Player iOS installation on iPhone/iPad

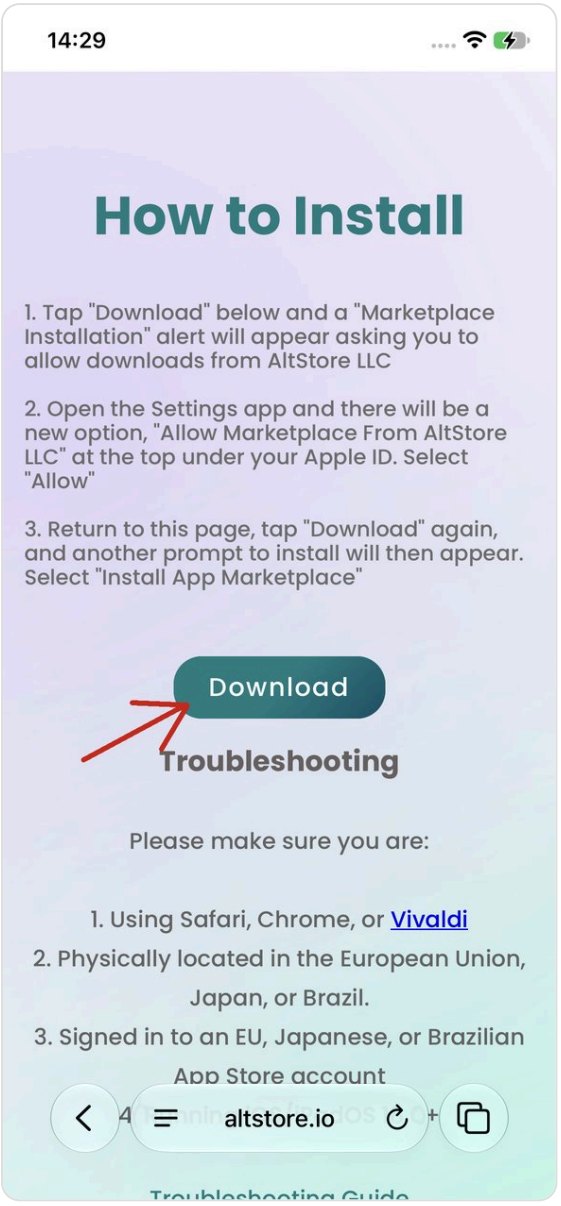

Delta Media Player for iOS is installed through **AltStore PAL** – an alternative app marketplace approved by Apple. The installation is done once and takes about 2–3 minutes.

Necessary conditions to use AltStore PAL

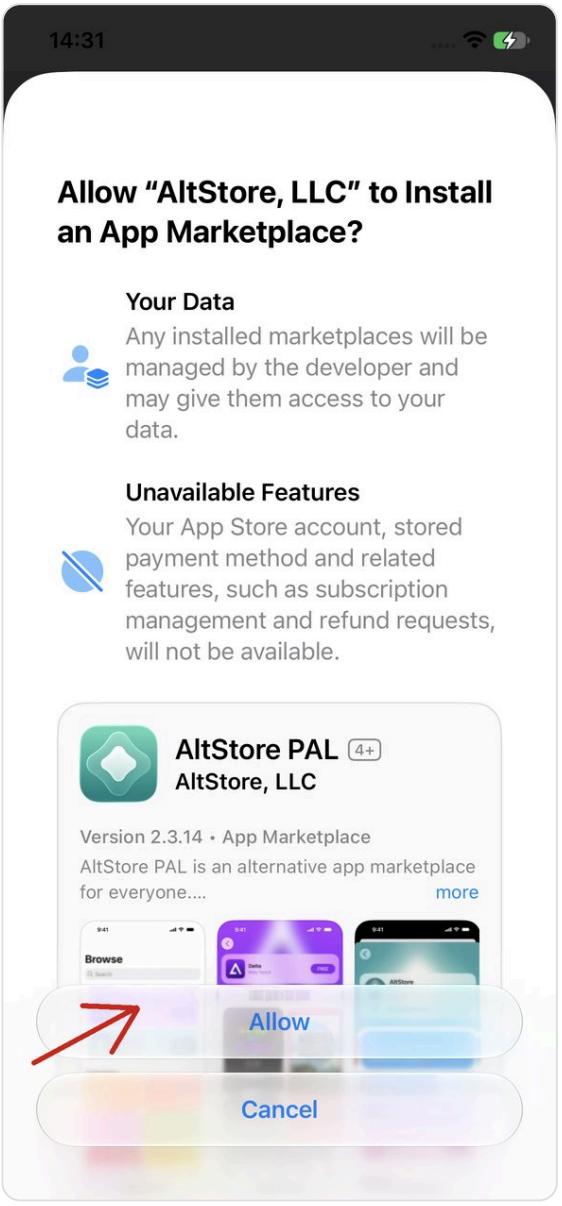

1. Using Safari, Chrome or Vivaldi
2. Physically located in the European Union, Japan or Brazil
3. Signed in to an EU, Japanese or Brazilian App Store account
4. Running iOS/iPadOS 18.0+

1st step – Install AltStore PAL

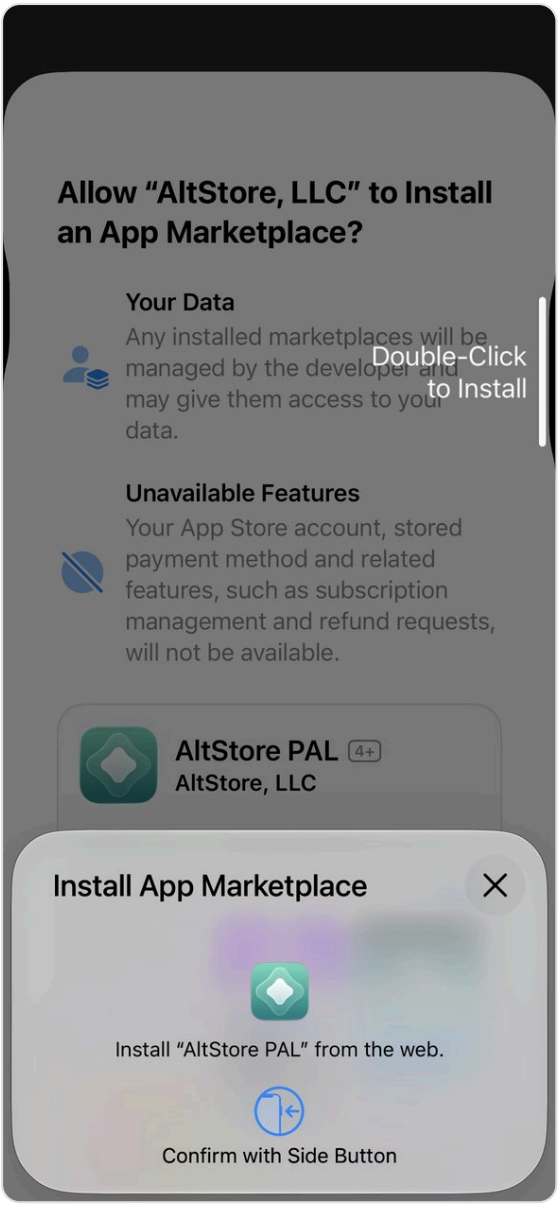

1 Open https://altstore.io/download and tap **Download**.

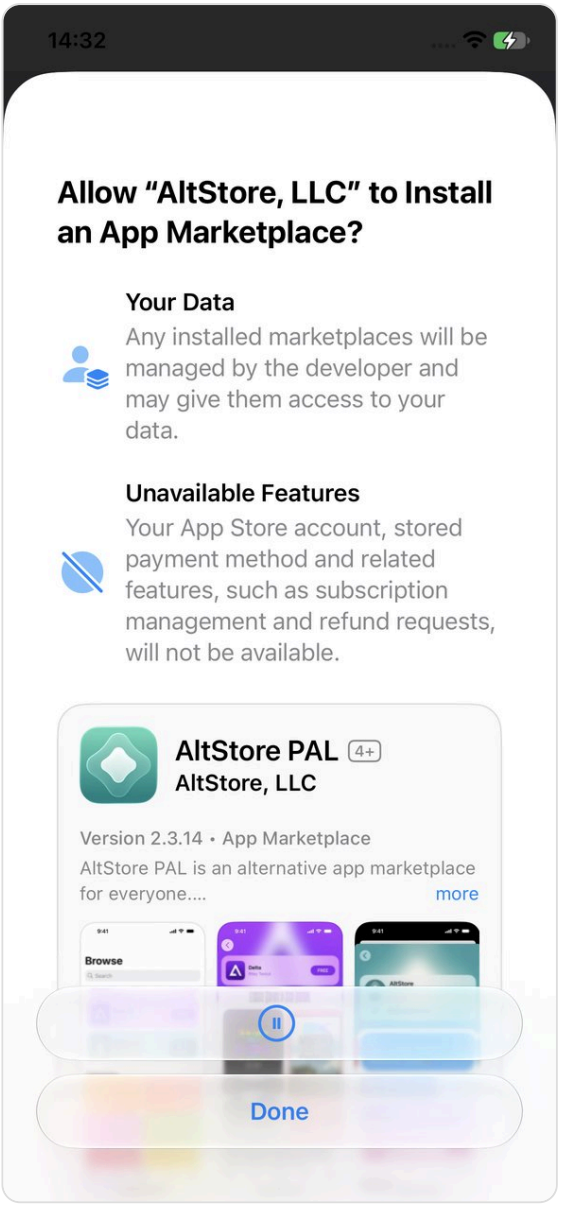

2 A window “Allow “AltStore, LLC” to Install an App Marketplace?” appears. Tap **Allow**.

3 The “Install App Marketplace” window appears. **Double-click the side button** of your iPhone/iPad to confirm the installation (as you do for an App Store purchase – Face ID / Touch ID or passcode may be required).

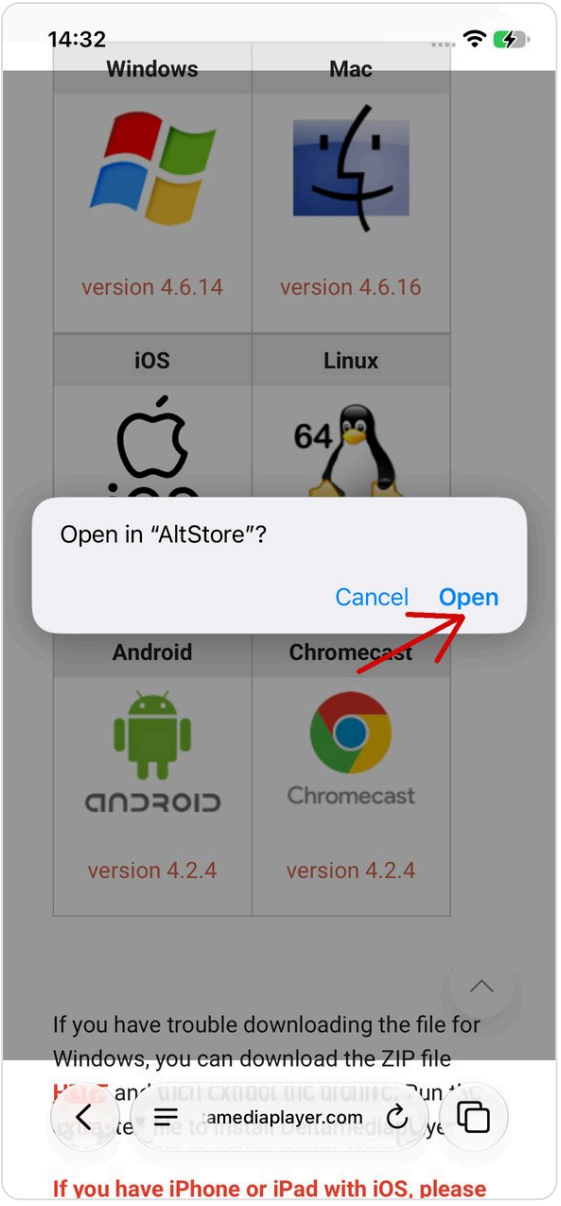

4 The installation of AltStore PAL starts. Tap **Done**. The AltStore icon will appear on your home screen.

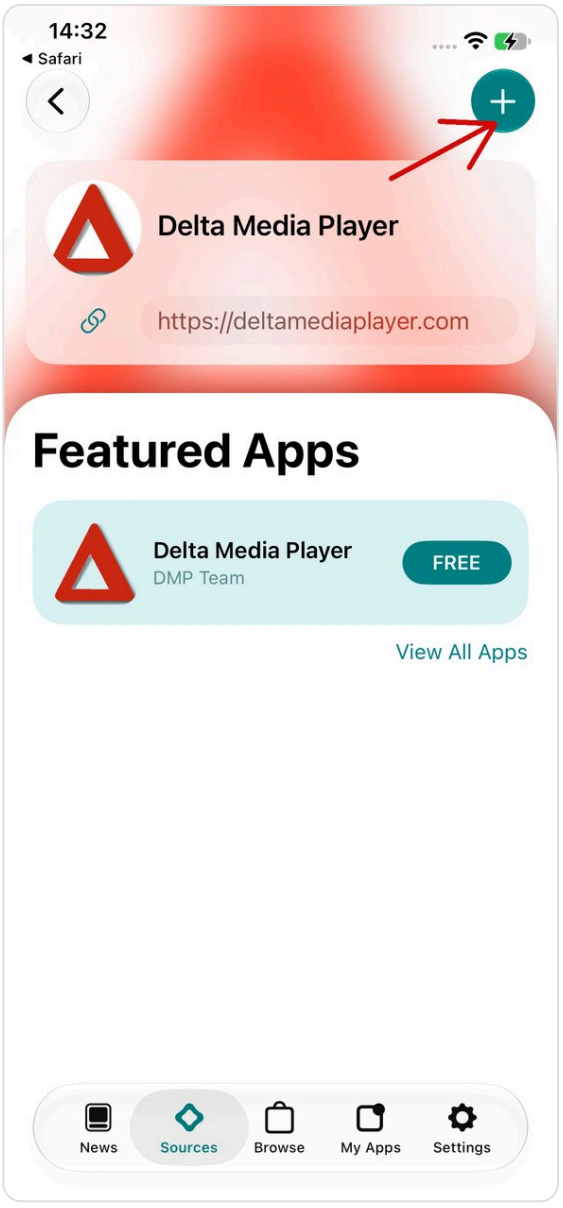

*Note: if the “Allow” window does not appear, open **Settings** – at the top, under your Apple ID, there is a new option “Allow Marketplace From AltStore LLC”. Select **Allow**, then return to the AltStore page and tap **Download** again.*

2nd step – Install Delta Media Player app

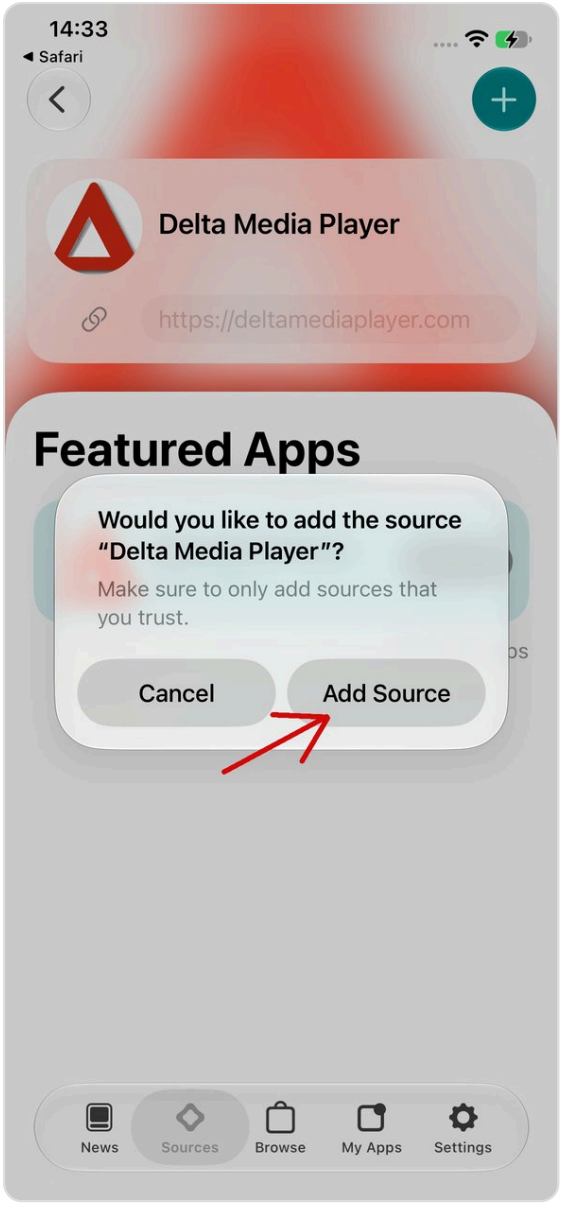

1 Open the Download player page and tap the **iOS** icon. To the question “Open in “AltStore”?” tap **Open**.

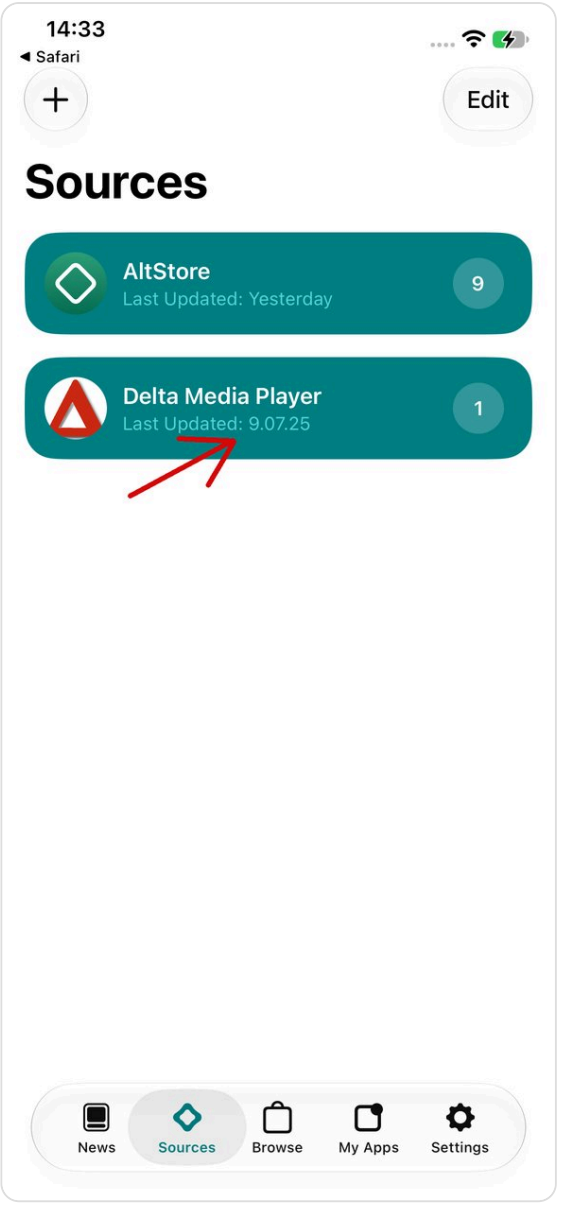

2 AltStore opens the Delta Media Player source. Tap the **+** button in the top right corner.

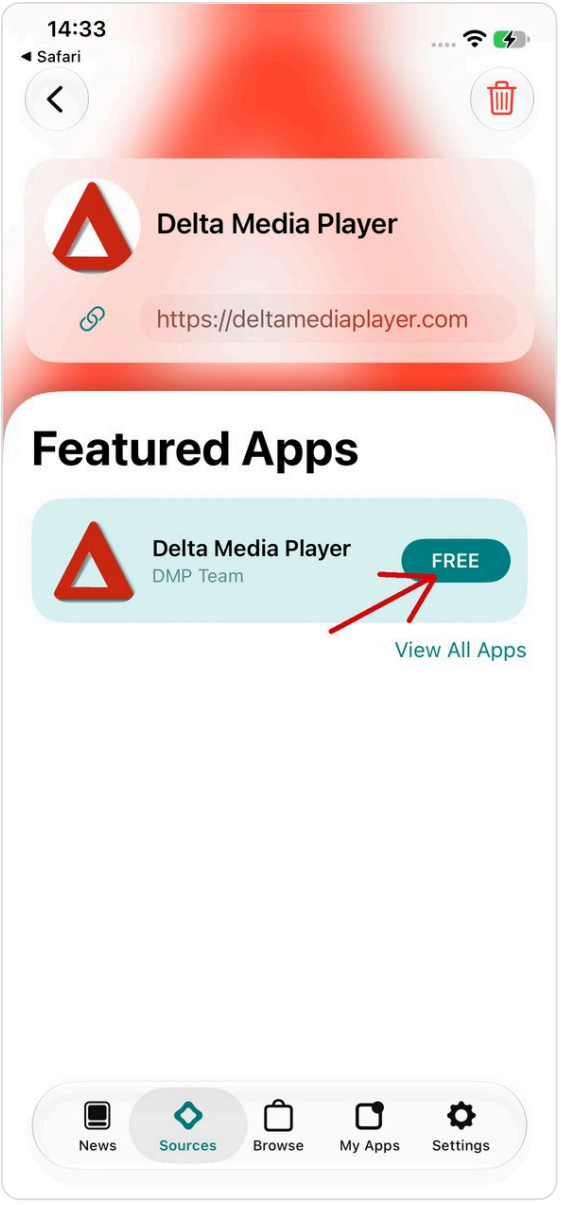

3 To the question “Would you like to add the source “Delta Media Player”?” tap **Add Source**.

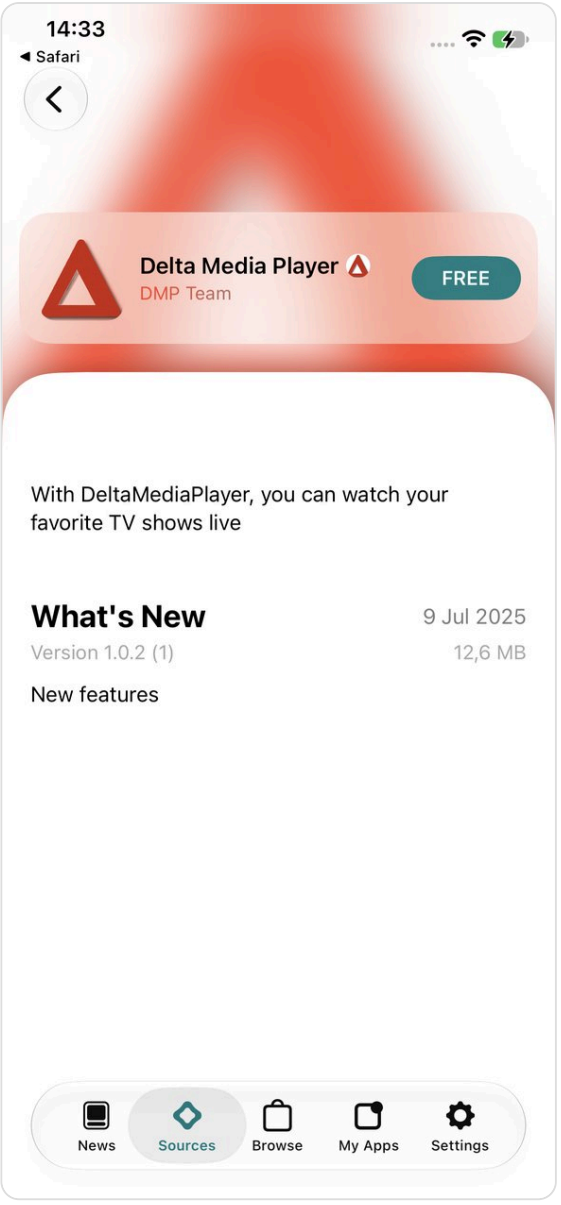

4 Delta Media Player is now in your **Sources** list. Tap it.

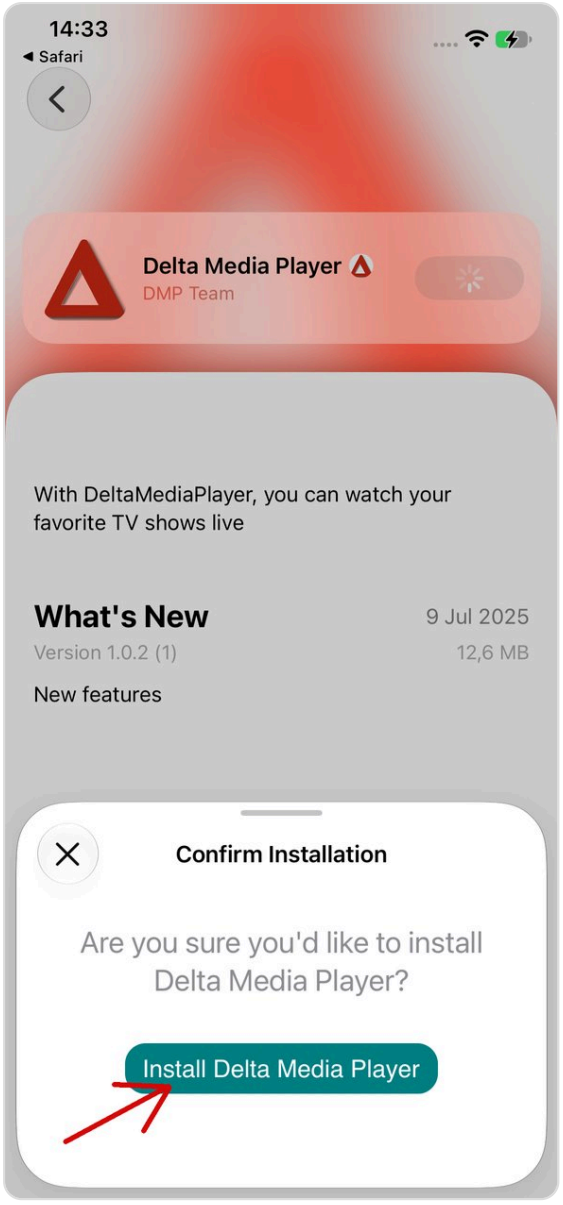

5 In **Featured Apps** tap **FREE** next to Delta Media Player.

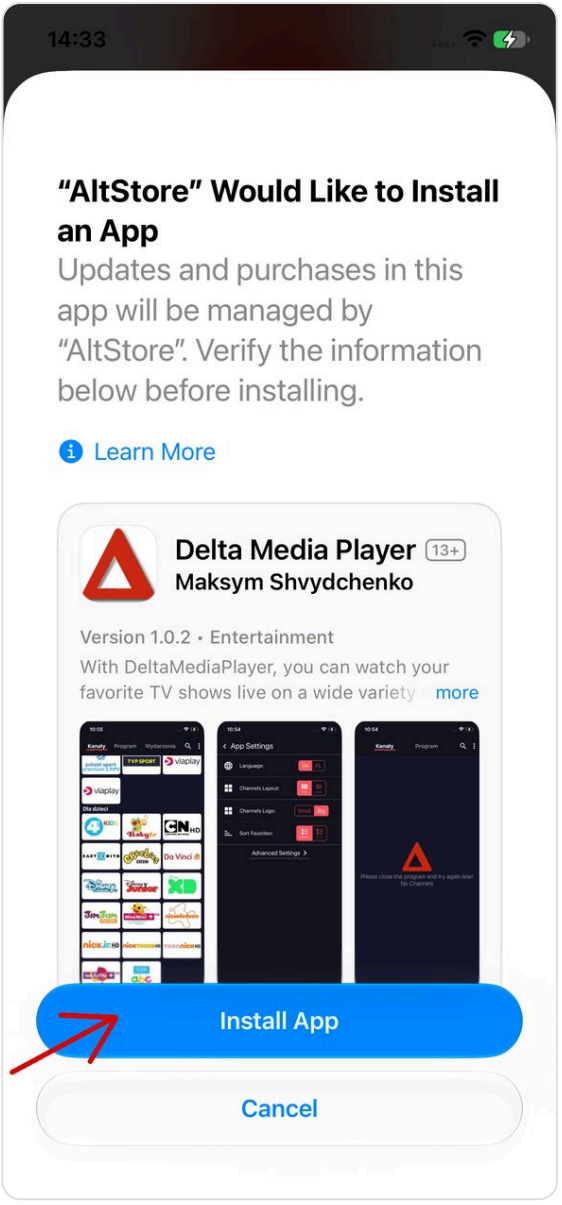

6 The application page opens. Tap **FREE**.

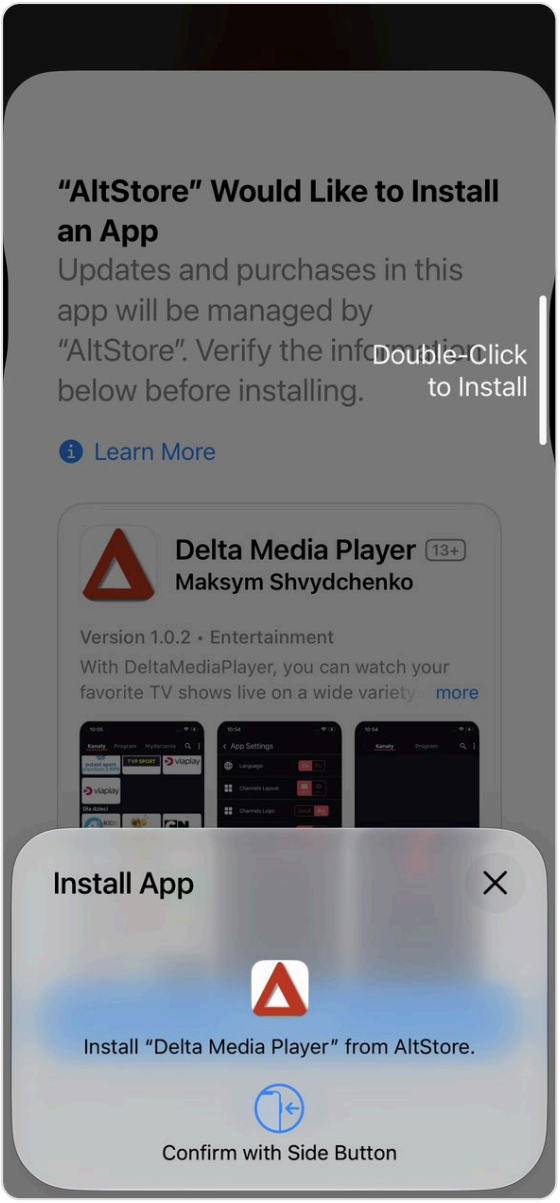

7 In the “Confirm Installation” window tap **Install Delta Media Player**.

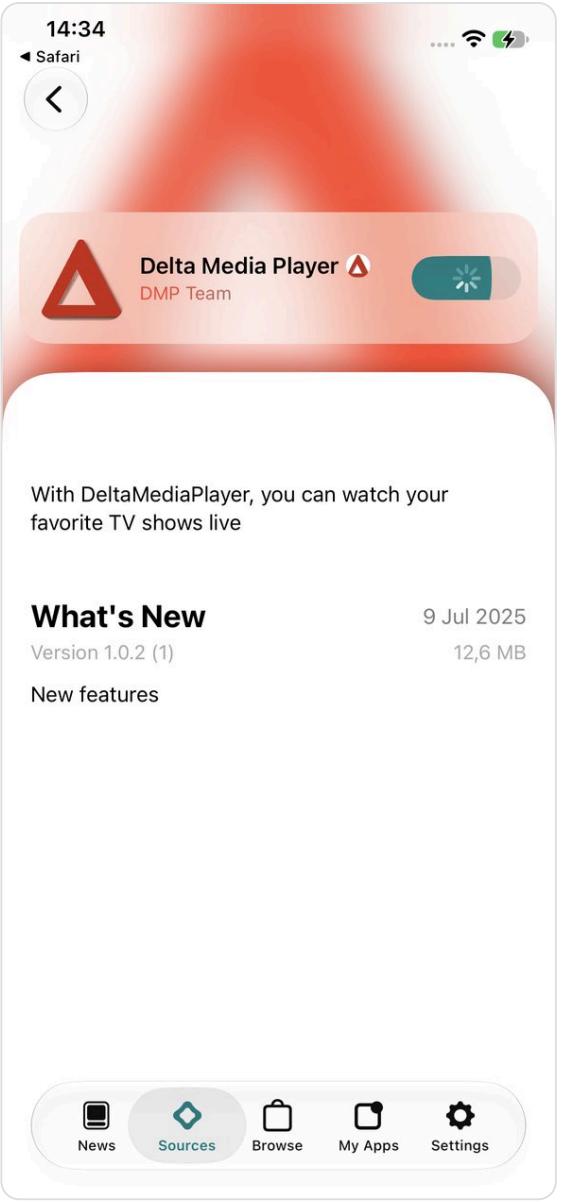

8 In the window “AltStore Would Like to Install an App” tap **Install App**.

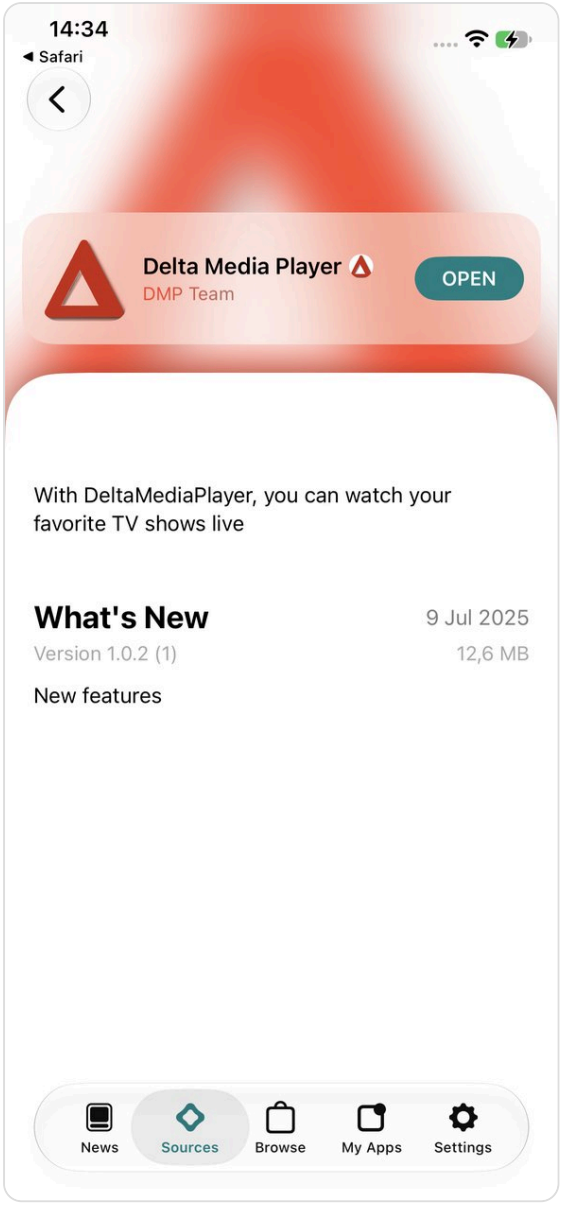

9 **Double-click the side button** to confirm the installation.

10 Wait for the download and installation to finish.

11 Done! Tap **OPEN** to start Delta Media Player. From now on you can open it from its icon on the home screen.

Delta Media Player is free for selected channels and allows watching on up to 5 devices at the same time.
